

Construction to Start In Your Area

May 10, 2021

Dear Neighbor:

Construction of the New York Energy Solution ("NYES") is about to begin in your area, located in the Town of Stuyvesant. NYES is being constructed by New York Transco and its contractors and subcontractors. The work to be performed is detailed below. Should this work not start within the next 30 days, you will receive an updated notification with new dates.

General Construction Phasing

- **Phase 1:** Establish site access roads and site preparation, including environmental protections.
- **Phase 2:** Foundations drilled and established, and new monopole structures erected.
- **Phase 3:** Conductor (wire) strung and the existing lattice structures removed and recycled.
- **Phase 4 (final):** Ground surface restoration and select landscaping.

Please note, vegetation removal will occur throughout these phases.

Anticipated Construction Schedule

- **Construction Start:** May 2021
- **Restoration Start:** Early 2022
- **Construction Complete:** Spring 2022

Construction Updates

Updates on construction work, including locations, can be found on the NYES website at www.NY-ES.com. The website is updated every two weeks.

You may also call the NYES team toll-free for updates: 1-855-433-3611.

Safety is Our Top Priority

New York Transco is committed to the safety of its staff, contractors, and neighbors. For your safety, please do not enter construction sites or laydown yards during construction. If you have questions, concerns, or complaints, please contact the NYES team. If there is an emergency, please dial 911.
