

VIRTUAL NYES CONSTRUCTION UPDATE BRIEFING

June 6, 2022

Dear Neighbor:

Thank you for your continued cooperation as we advance the New York Energy Solution (NYES), a key electric transmission project that will help unlock clean energy for New York State homes and businesses. Since March 2021, we've been safely and efficiently modernizing the transmission line and performing station work along the existing transmission corridor, and we remain focused on our end-of-year 2023 in-service date.

For more information on our progress, we invite you to join New York Transco's NYES project team for a:

Virtual Construction Update Briefing:

Thursday, June 23

7 p.m. on Zoom

To register:

visit www.bit.ly/NYES_Update or use our **QR Code:**

We hope to see you there. Please contact us with any questions at 1-855-433-3611 or info@ny-es.com. Also be sure to visit our website – www.NY-ES.com – for regularly updated project information.

Finally, I have enclosed a copy of a recent Hudson Register-Star guest essay co-authored by New York Transco President Vic Mullin and IBEW Local 1249 Business Manager Mark Lawrence celebrating our team's resolute attention to safety in all aspects of our work, on the corridor and in our host communities. I hope you'll take a moment to read about this very important commitment.

Sincerely,

A handwritten signature in black ink that reads "Shannon Baxevanis".

Shannon Baxevanis
